

How to Share a Survey Folder

Follow the below steps to share a survey folder:

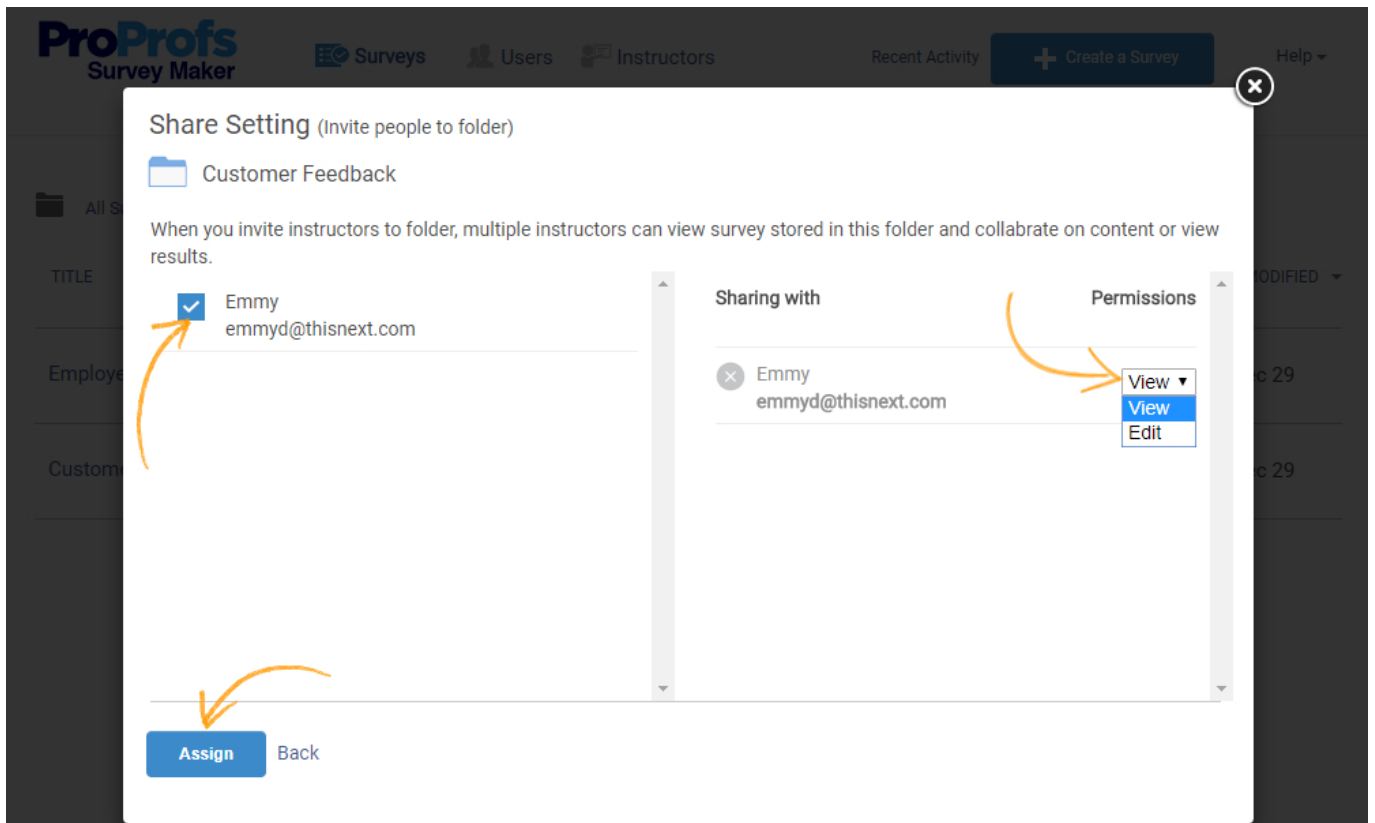

Step 1: From your dashboard, click "All Surveys" to open the drop-down menu, then click "Organize Folders."

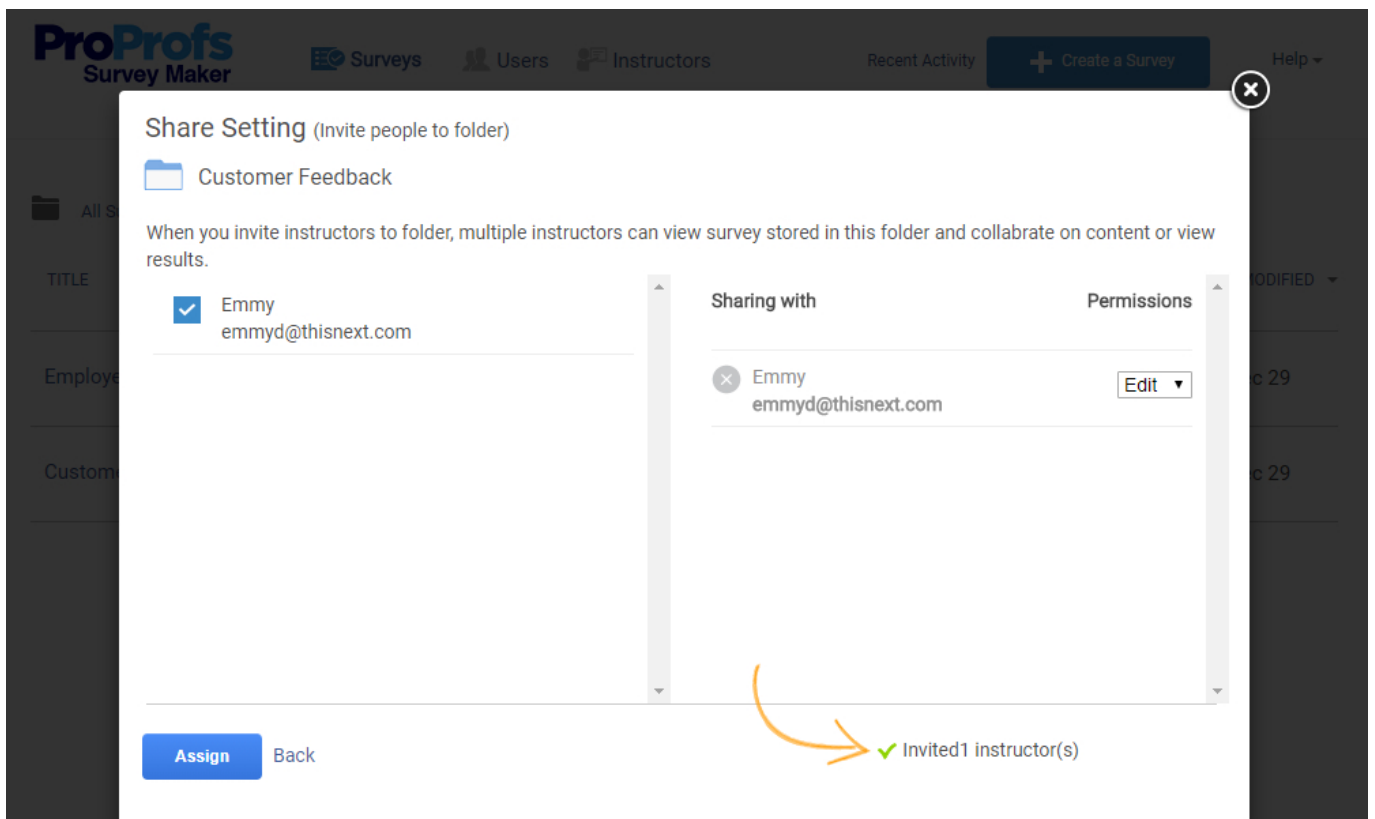

Step 2: Under the desired folder click "Invite."

Step 3: From the list of administrators select the desired administrators, choose a role from the drop-down menu. Click "Assign" to share the folder.

Step 4: You have shared the folder, the below image depicts the confirmation message. Click "Back" to go back to your dashboard.

Step 5: When your administrators log in, they can access the shared folder.
